

## **Rocklin Unified School District**

### **Disclosure of Student Information 2016-2017**

The District will, at times, release student information to outside organizations/vendors, for specific limited purposes, and with the required safeguards for confidentiality and information security, as required by Education Code §49076, the Family Educational Rights and Privacy Act of 2001 (20 U.S.C. Sec.1232g), applicable California State Law, and Board Policy. Such purposes include: developing, validating or administering tests; administering student aid programs; and improving instruction. (Education Code §49073. Examples of specific purposes include: demographic projections for budgeting and proper staffing and/or services that clearly enhance the educational/school experience such as yearbook, photography, academic assessments, electronic course delivery and supplemental curriculum/materials, college and career planning and recruiting, electronic transcript services, financial assistance programs, food services, and collecting on-line payments and processing, etc. Specific student information/data includes, but may not be limited to: Student identification number, grade level, program status/participation, course completion, and ethnicity. The outside organization/vendor will give written assurance that the pupil-related information it receives from the school district shall be destroyed/deleted when no longer needed for the purposes for which it was obtained, AND the organization and all of its employees/representatives will not permit access to any student information/records by any other persons, agency or organization, except as allowed under the Family Educational Rights and Privacy Act of 2001 (20 U.S.C. Sec.1232g) and State law, without written consent of the student's parent/guardian.
