

Construction Update – Ruhkala Elementary/Rocklin Academy Expansion

April 29, 2019

This is one of several updates for Ruhkala Elementary staff and families regarding the Rocklin Academy expansion project at Ruhkala Elementary School.

- Construction is expect to start this June. Once it has begun, it will move forward in three phases.
- **Phase I** will include the completion of site work and installation of building pads.
- **Phase II** will begin the construction of the Rocklin Academy Multipurpose Room. The Rocklin Academy portable classrooms will be delivered and installed before August 2020.
- **Phase III** parking lot and sidewalks area improvements will occur.
- Phases of construction will overlap but all work is slated to be completed by August 2020.

Phase I:

June 2019 to August 2019

Site preparation work including grading for the Rocklin Academy portable classrooms and the Rocklin Academy Multipurpose Room building pads. Work on the underground utilities such as water, sewer and electrical will be completed at this time.

Phase II:

July 2019 to November 2020

Delivery of Rocklin Academy's portable classrooms by August 2020 and construction of the Rocklin Academy Multipurpose Room.

Phase III:

June 2020 to August 2020

Parking lot and sidewalk improvements.

As progress is made and pertinent construction details occur, the Rocklin Unified School District will continue to update the staff and families of Ruhkala Elementary School.

In August 2019, the Ruhkala staff, along with its community members, will begin the process of revisiting and updating their strategic plan and vision. Through this process, areas of priority will be identified that will refresh, support, and continue to enhance the Ruhkala campus and the outstanding programs that are offered at this school site. More information on how you can be part of this process will be sent at the beginning of the 2019/2020 school year.

If there are questions related to the construction process, please email Craig Rouse, Senior Director of Maintenance, Facilities and Operations at crouse@rocklinusd.org.
