School Description

Cobblestone Elementary School is one of fifteen schools in the Rocklin Unified School District. The school serves students in transitional kindergarten through sixth grade, with an enrollment of approximately 420. The school is located in the center of a dynamic and supportive community, which expresses its values toward education through a high level of participation. Cobblestone Elementary School opened in 1991. Since 2008, Cobblestone has been recognized as a California Distinguished School. Cobblestone Elementary has repeatedly been named an Honor Roll school by California Business for Education Excellence.

The staff of Cobblestone Elementary School provides an exemplary learning environment. As described in our Mission Statement, we provide our students appropriate placement in a caring environment that will foster self-esteem, academic achievement, responsible behavior and an enduring desire to learn.

Academic learning is the primary focus of the school but commendably, the staff operates on the principle that a caring environment which fosters self-worth and individual development is the best road toward realizing such learning. The students are able to approach all facets of their learning with confidence and the assurance that this school is their home. Rules of conduct are realized internally, leading to self-directedness and initiative.

Our Aspiration:

The mission of Cobblestone Elementary School, a community of dynamic learners known for academic excellence and positive personal growth, is to ignite and empower all students to thrive in every aspect of life for today and tomorrow, by:

Advancing an academically challenging and supportive climate
Fostering creativity and innovation through the arts, technology, and science
Cultivating curiosity, perseverance, and critical thinking
Instilling leadership through the development of personal accountability, effective problem solving, and collaboration
Providing a socially, emotionally and physically safe environment
Creating positive partnerships with families, staff, and community
Modeling and promoting respect and empathy in every interaction
Inspiring a continuous passion for learning

Objectives:

All students will show an annual increase on multiple assessments in English Language Arts and Mathematics.
All students will demonstrate increased school engagement .
All students will be creative and innovative thinkers.
All students will successfully uphold the Cougar Code:
Show Respect
Make Good Decisions
Solve Problems

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Cobblestone Elementary School is a beautiful facility. Built twenty four years ago, it is aesthetically pleasing as well as being an excellent environment for student learning. The school and grounds are well maintained. Modernization of the campus is being planned for the near future. Classrooms are regularly cleaned and checked for safety hazards. District-wide safety inspections are done on an ongoing basis throughout the year. Cobblestone has a comprehensive safety and crisis intervention plan. School personnel supervise and monitor students before and after school as well as during all non-instructional times. Primary students use the buddy system whenever they leave the classroom. All campus guests check in at the office before proceeding to classrooms and wear visitor badges. Cobblestone is a safe, well maintained school of which students, staff and parents are proud.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Rocklin Independent Charter Academy began using Cobblestone Elementary to house K-6 students during the 2014-15 school year.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	69	71	71	70	48	48
Math	53	57	61	62	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	61	61	100.0	73.8
Male	29	29	100.0	75.9
Female	32	32	100.0	71.9
White	43	43	100.0	81.4

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)

	14-15	15-16	14-15	15-16	14-15	15-16
Science	71	74	83	82	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parent and community involvement is vital to the success of our school. Goals for parents are published in the school handbook and participation is strongly encouraged with a volunteer fair occurring at our Welcome Back Picnic. We provide many opportunities for involvement. Trained parent volunteers provide monthly art lessons to each class through our school Art Docent program. Parents run special events such as our Mini-Olympics and evening family events. Fundraising efforts like our annual Jogathon, and Scrip sales are other ways parents are involved. Cobblestone boasts over 150 people volunteering each year as guest speakers, classroom helpers, field trip chaperones, clerical assistants or library volunteers. Site Council, and the Parent Teacher Club Board as well as the Positive Behavioral Interventions and Support Leadership Team, LCAP advisory committee and Strategic Planning team provide leadership opportunities for parents. Cobblestone enjoys community support through sponsorship from local businesses and civic organizations. Our annual Volunteer Tea recognizes and thanks all those for their involvement. Contact Alice McGarvey or Diane Prince at (916) 632-0140.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Student safety is a top concern. According to the most recent California Healthy Kids Survey (CHKS), 93% of Cobblestone students feel safe at school. Our comprehensive safety plan includes collaboration with the Rocklin Fire Marshal and Police Department. Together, we have revised our emergency evacuation routes and conduct monthly drills for practice. Our plan includes the seventh year of implementing Second Step which focuses on problem solving, anger management and impulse control across all grades. All students participate in digital citizenship lessons that include cyber safety as we increase the use of technology in the classroom. In 2016, we have implemented schoolwide Positive Behavioral Intervention and Supports (PBIS) to provide social, behavioral and emotional support for students who have additional needs in these areas. All students know and are recognized for following the Cobblestone Cougar Code where they consider their behavior in terms of making good decisions, showing respect and solving problems. Last review/update: February 2017. Date Last Discussed with Staff: February 2017.

Professional Development provided for Teachers

The Rocklin Unified School District is committed to high quality professional development that meets the needs of the staff aligned to the established Rocklin Unified Strategic Plan. The focus of our Professional Development is the following: a continuous development and commitment to Multi-Tiered System of Academic and Social/Emotional/Behavioral Support; a commitment to research-based effective instructional practices and intervention strategies in order to ensure that all students are provided the necessary skills and prerequisites to meet post-secondary goals as well as College and Career Readiness Standards.

Types of Services Funded

Special Education, LCAP Supplemental, transportation, instructional materials, staff development, intervention classes, core K-12 classes, Gifted and Talented Education (GATE), ELD Support, After school ELD tutoring, Technology loan program.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
