School Description

Rocklin Elementary School is one of sixteen schools in the Rocklin Unified School District. The school serves students in transitional kindergarten through sixth grade with an enrollment of 560 students. Rocklin Elementary has a unique demographic that includes: English Language Learners, students with disabilities, and a self-contained Gifted and Talented Education program.

The school is located in the center of a stable and supportive community which expresses its values towards education through a high level of participation. Rocklin Elementary School opened in 1952, at which time it was the only school in the district, and served students from kindergarten through eighth grade.

The staff of Rocklin Elementary School strives to provide an exemplary learning environment. The campus houses a state of the art STEM Lab and an Outdoor Learning Center. Academic learning is certainly the primary focus of the school, but commendably, the staff operates on the principle that a caring environment fosters individual growth. Rocklin Elementary School has focused its resources on best practices to build both Career and College Readiness while providing a positive environment where social-emotional learning is also developed, recognized, and rewarded. In the Spring of 2107, Rocklin Elementary was recognized at the state level for exemplary (Platinum Level) implementation of Positive Behavior Interventions and Supports (PBIS).

Students at Rocklin Elementary School are able to approach all facets of their learning with confidence and the assurance that this school is their home. Rules of conduct are explicit and result in students achieving high levels of intrinsic motivation which leads to self-directedness, initiative, perseverance and grit. These are the characteristics of a successful learner.

The staff embraces technology, recognizing that these skills are instrumental to the future success of our 21st century learners. In turn, Rocklin Elementary has acquired significant resources to provide students with ample access to technology. Our investment in academics, social emotional learning, and the tools and technology we need to assess where we have been and where we are going has allowed Rocklin Elementary School to become a leader in academic excellence.

Mission Statement

The mission of Rocklin Elementary School, a richly diverse educational community and leader in academic excellence, is to ensure that all students are valued and supported in a collaborative environment to reach their full potential through a system distinguished by:

- unique opportunities for critical thinking, intellectual curiosity, and technological innovation
- a culture of academic, emotional, and social balance
- partnerships with our families and the community.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rocklin Elementary School opened in 1952. A new gymnasium and new underground irrigation system were added in 2003. It takes our entire community to help keep our school the #1 place to be in our small community.

Safety comes first as we have staff at crosswalks greeting students and parents to start the day and to end the day. We have several volunteers that help keep our campus safe throughout the day by working in our classrooms and helping us along with our staff supervising our recess and lunchtime duties.

Our custodial staff and District maintenance staff continually support any repairs to our school.

Throughout the year our community business partners help us with our school-wide garden and Outdoor Learning Center to make sure it is planted, cleaned and looking great throughout the year. We pride ourselves in recycling and going green whenever we can at Rocklin Elementary.

Our district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, our district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
ELA	68	63	71	70	48	48
Math	62	60	61	62	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)				
Group	Number of Students		Percent of Students	
	Enrolled	with Valid Scores	w/ Valid Scores	Proficient or Advanced
All Students	84	83	98.8	84.3
Male	47	47	100.0	78.7
Female	37	36	97.3	91.7
Asian	14	14	100.0	100.0

Socioeconomically Disadvantaged	28	27	96.4	70.4
Students with Disabilities	11	11	100.0	90.9

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in Science for All Students

	14-15	15-16	14-15	15-16	14-15	15-16
Science	80	84	83	82	60	56

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Grade Level	2016-17 Percent of Students Meeting Fitness Standards

Students with Disabilities	35	35	100	34.29
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents play an integral role at Rocklin Elementary School through their active participation and involvement in School Site Council, Parents' Club, Strategic Planning process, and our PBIS Leadership Team. They share information with classes about professional lives, teach special skills (art, music, and sports), work on school or Outdoor Learning Center improvements, conduct fund-raisers and make donations. They regularly volunteer their services in the classrooms and the library. Rocklin Elementary houses the Family Tutoring Center that is available to families on Tuesday and Thursday's. In addition, Family Math, Coding, and athletic circuit nights are offered.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

All schools in the District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. Last review/update and discussion with staff: February, 2017.

Professional Development provided for Teachers

The Rocklin Unified School District is committed to high quality professional development that meets the needs of the staff aligned to the established Rocklin Unified Strategic Plan. The focus of our Professional Development is the following: a continuous development and commitment to Multi-Tiered System of Support; a commitment to research-based effective instructional practices and intervention strategies; also ensuring that all students are provided the necessary skills and prerequisites to meet post-secondary goals; and to ensure all students meet College and Career Readiness Standards.

Types of Services Funded

Special Education, LCAP Supplemental, Title I, transportation, instructional materials, staff development, intervention classes, core K-12 classes, Gifted and Talented Education (GATE) & Career Technical Education (CTE).

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
