2017-18 School Accountability Report Card Published During the 2018-19 School Year

School Description

Parker Whitney Elementary School is one of seventeen schools in the Rocklin Unified School District. The school serves students in kindergarten through sixth grades, with an enrollment of about 450. The school is located in the center of a stable and supportive community which expresses its values toward education through a high level of participation. Parker Whitney Elementary School opened in 1965. Melody Thorson is Principal and Roger Stock is District Superintendent.

The staff of Parker Whitney Elementary School strives to provide an exemplary learning environment. Academic learning is certainly the primary focus of the school, but commendably, the staff operates on the principle that a caring environment which fosters self-esteem and individual development is the best road toward realizing such learning. The students are able to approach all facets of their learning with confidence and the assurance that this school is their home. Rules of conduct are realized internally, leading to self-directedness and initiative. Finally, the staff welcomes the direct involvement of the community in these efforts. This is demonstrated in our partnership with our local university, our 9 years as a Reading Renaissance Master School, and our dedication to supporting our at risk students. At Parker Whitney Elementary School, parents and staff together are dedicated to creating a safe and orderly learning environment in which students interact positively with others and are able to develop responsibility, confidence, and self-esteem while achieving to their highest academic potential. Families play very important roles in Parker Whitney Elementary School through their active participation and involvement in School Site Council, and Parent Teacher Club (PTC). They share information with classes about professional lives, teach special skills (art, music, and sports), work on school or playground improvements, conduct fund-raisers and make donations. They regularly volunteer their services in the classrooms and the library. Parker Whitney Elementary School has become a focal point and center for students and the community.

Mission Statement

The mission of Parker Whitney Elementary, a California Distinguished school and a key component of a diverse learning community, is to ensure each student will experience meaningful and measurable academic growth and build a strong, active connection to his or her community as a dynamic life-long learner by:

- Providing quality instruction through collaboration, evolving technologies, and high expectations
- Recognizing and addressing academic challenges
- Building vital partnerships with our families and the community
- Creating and maintaining a physically and emotionally safe learning environment

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Parker Whitney School, the second school built in the Rocklin Unified School District, has served Kindergarten through 6th grade students for 45 years. Transitional Kindergarten is now offered at Parker Whitney. Having undergone modernization, it now has a large cafeteria, large Visual and Performing Arts (V.A.P.A) room, stage, and band room.

All volunteers are required to wear an I.D. badge and visitors are required to check in at the office to ensure the safety of our students. Supervision is provided before school, during recesses, and immediately after school.

Parker Whitney School has a comprehensive safety and crisis intervention plan including an Action Plan with a Crisis Plan component. Emergency drills including fire, lock-down and off-campus evacuation are practiced on a monthly basis to ensure a smooth and orderly process. District wide safety inspections are done on an ongoing basis throughout the year.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	58.0	64.0	70.0	71.0	48.0	50.0
Math	53.0	61.0	62.0	63.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
5	18.8	25.0	21.9

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)

Students with Disabilities	32	30	93.75	20.00

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

At Parker Whitney Elementary School, parents and staff together are dedicated to creating a safe and orderly learning environment in which students interact positively with others and are able to develop responsibility, confidence, and self-esteem while achieving to their highest academic potential. Families play very important roles through their active participation and involvement in School Site Council, Parent Teacher Club (PTC), Art Docent Presenters, Word Busters, various annual events, and afterschool clubs and programs. Parents share information with classes about professional lives, teach special skills (art, music, and sports), work on school or playground improvements, conduct fund-raisers and make donations. They regularly volunteer their services in the classrooms and the library. Parker Whitney Elementary School has become a focal point and center for students and the community.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

We envision a school community that promotes and sustains responsible citizenship achieved through appropriate academic excellence and developing social skills. We understand that nurturing is a process that takes many forms, beginning with acceptance and understanding of diversity of age, race-ethnicity, and culture. We strive for an environment that is safe and we are committed to maintaining a responsible safety plan that includes policy and procedures. We believe that all students can learn at Parker Whitney School.

Safe School Plan: All schools in the Rocklin Unified School District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, rules and procedures on school discipline, school-wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. It also includes an action plan for implementation of the plan. At Parker Whitney School, we are in the twelfth year of implementation of the plan. The 2018-19 school year plan will continue to focus on bully proofing, positive behavior intervention systems (PBIS), playground interaction, articulating, training, and implementing emergency procedures. Parker Whitney has also dedicated time each day for social-emotional awareness education through our In Focus curriculum and other social awareness and development resources.

Last review/update: November 2018.

Professional Development provided for Teachers

The Rocklin Unified School District is committed to high quality professional development that meets the needs of the staff aligned to the established Rocklin Unified Strategic Plan. The focus of our Professional Development is the following: a continuous development and commitment to Multi-Tiered System of Support; a commitment to research-based effective instructional practices and intervention strategies; also ensuring that all students are provided the necessary skills and prerequisites to meet post-secondary goals; and to ensure all students meet College and Career Readiness Standards.

Rocklin Unified School District provides 3 days of staff development annually to staff and have done this for the past three years:

- 2016/17 - 3
- 2017/18 - 3
- 2018/19 - 3

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
