

Rocklin Unified School District Wi-Fi 2017-18

To obtain wireless access at any RocklinUSD site, please choose from one of the following three categories:

Student and Staff BYOD

Bring your own personal device

1. Access “**RocklinUSD BYOD**”
2. Read and check box to accept the terms
3. Enter your RUSD **Windows** Network username and password
4. Click **Login**, wait for confirmation

Note: Device is activated for 12 hours; **if you experience delays, restart your browser**; support provided for Wi-Fi connectivity **ONLY** (not your device)

District Owned Mobile Device

District owned Windows **laptops**, **Chromebooks**, and **K-6 iPads** are configured to automatically connect to district networks, no action is required
Note: Staff and **7-12 iPads** must manually connect to the **BYOD** network, see instructions above

Visitor

Guests of Rocklin USD using a personal device
***must have a cell phone to receive a text code**

1. Access “**RocklinUSD Visitor**”
2. Complete guest registration form, and accept the terms
3. You will be sent a text w/PIN
4. Enter PIN, wait for confirmation

Note: Device is activated for 12 hours; **if you experience delays, restart your browser**
