December 4, 2020

On December 3, Governor Newsom announced a [stay at home order](#) that will go into effect for three weeks in regions with less than 15 percent ICU availability. This limited closure aims to help stop the surge and prevent overwhelming regional ICU capacity.

Placer County is included in the Greater Sacramento Region and has not yet met the ICU indicator. The situation remains fluid, but at this time, Rocklin Unified Schools are considered open and can remain open.

We will communicate with you immediately if and when any government or health updates impact our school district. Our District's [website](#), Placer County's [website](#) and the state's [website](#) continue to be COVID-19 resources.

Thank you,

Rocklin Unified School District
