2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Parker Whitney Elementary School is one of seventeen schools in the Rocklin Unified School District. The school serves students in transitional kindergarten through sixth grades, with an enrollment of about 450. The school is located in the center of a stable and supportive community which expresses its values toward education through a high level of participation. Parker Whitney Elementary School opened in 1965. Kari Auwae is the Principal and Roger Stock is the District Superintendent.

The staff of Parker Whitney Elementary School strives to provide an exemplary learning environment. Academic learning is certainly the primary focus of the school, but commendably, the staff operates on the principle that a caring environment which fosters self-esteem and individual development is the best road toward realizing such learning. The students are able to approach all facets of their learning with confidence and the assurance that this school is their home. Rules of conduct are realized internally, leading to self-directedness and initiative. Finally, the staff welcomes the direct involvement of the community in these efforts.

At Parker Whitney Elementary School, parents and staff together are dedicated to creating a safe and orderly learning environment in which students interact positively with others and are able to develop responsibility, confidence, and self-esteem while achieving to their highest academic potential. Families play very important roles in Parker Whitney Elementary School through their active participation and involvement in the School Site Council and the Parent Teacher Club (PTC). They share information with classes about professional lives, teach special skills (art, music, and sports), work on school or playground improvements, conduct fundraisers and make donations. They regularly volunteer their services in the classrooms and the library. Parker Whitney Elementary School has become a focal point and center for students and the community.

Mission Statement

The mission of Parker Whitney Elementary, a California Distinguished school and a key component of a diverse learning community, is to ensure each student will experience meaningful and measurable academic growth and build a strong, active connection to his or her community as a dynamic life-long learner by:

- Providing quality instruction through collaboration, evolving technologies, and high expectations
- Recognizing and addressing academic challenges
- Building vital partnerships with our families and the community
- Creating and maintaining a physically and emotionally safe learning environment

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Parker Whitney School, the second school built in the Rocklin Unified School District, has served Kindergarten through 6th grade students for 57 years. Transitional Kindergarten is now offered at Parker Whitney. Having undergone modernization, it now has a large cafeteria, large Visual and Performing Arts (V.A.P.A) room, stage, and band room.

All volunteers are required to wear an I.D. badge and visitors are required to check in at the office to ensure the safety of our students. Supervision is provided before school, during recesses, and immediately after school.

Parker Whitney School has a comprehensive safety and crisis intervention plan including an Action Plan with a Crisis Plan component. Emergency drills including fire, lock-down and off-campus evacuation are practiced on a monthly basis to ensure a smooth and orderly process. District wide safety inspections are done on an ongoing basis throughout the year.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	57	54	58	60	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 School Safety Plan

We envision a school community that promotes and sustains responsible citizenship achieved through appropriate academic excellence and developing social skills. We understand that nurturing is a process that takes many forms, beginning with acceptance and understanding of diversity of age, race-ethnicity, and culture. We strive for an environment that is safe and we are committed to maintaining a responsible safety plan that includes policy and procedures. We believe that all students can learn at Parker Whitney School.

Safe School Plan: All schools in the Rocklin Unified School District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, rules and procedures on school discipline, school-wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. It also includes an action plan for implementation. At Parker Whitney School, we are in the fourteenth year of implementation of the plan. Current year plans will continue to focus on bully-proofing, positive behavior intervention systems (PBIS), playground interaction, staff articulation, training, and implementing emergency procedures. Parker Whitney has also dedicated time each day for social-emotional education through our Purposeful People curriculum and other social development resources including social skills groups and individual school counseling. School staff is trained annually on emergency procedures and social emotional learning for staff and students. Date of Last Update: February 2023 Date of Last Review with Staff: August/September 2023
