

# COVID-19 March 19, 2020 Update to our RUSD Family

MARCH 19, 2020

Dear RUSD Families,

In response to the escalating concerns about public safety and the COVID-19 pandemic, and at the strong recommendation of the Placer County Public Health Office, non-essential Rocklin Unified employees will now handle work from home via email and phone channels. This will be in effect from March 20, 2020, to April 3, 2020.

All school sites and all district offices will be closed during this time. School office employees and district office employees will be checking voicemails and responding to emails during normal school and office hours.

This directive will NOT affect our free breakfast and lunch service we are offering for any child under the age of 18 Monday through Friday. The grab and go free meal service will still be available each weekday from 11 a.m. to 1 p.m. at Whitney and Rocklin High Schools, Spring View Middle School and Antelope Creek and Sierra Elementary Schools from March 16-April 13th which includes Spring Break.

**NEW: Meal service will be offered at Rocklin Elementary School beginning Monday, March 23 at the same dates and times listed above.**

Also, if your family is living in transitional/temporary housing, supporting a foster youth, or experiencing a significant hardship and you need assistance accessing our free nutrition services during this time, our District Office personnel is taking phone calls at our District Office number (916) 624-2428 during regular business hours, Monday through Friday 7:30 a.m. to 4:30 p.m. Please leave your name and phone number and you will receive a call back in a timely manner.

As you know, our teachers and school teams have been working diligently to deliver quality learning experiences and we appreciate your patience and support as we transition to remote and online learning for our students and teachers. Again, the one-stop location for all information and links for support as it relates to Online and Remote Learning Resources can be found on the RUSD Web Page at [www.rocklinusd.org/Parents/RUSDKeepsConnected-OnlineRemote-Learning](http://www.rocklinusd.org/Parents/RUSDKeepsConnected-OnlineRemote-Learning).

We will continue to monitor the situation with public health officials and provide updates as we receive them. Should schools need to be closed beyond Spring Break we will provide additional information on how we will continue remote learning and other

services as we collaborate with our labor partners to address these unprecedented times.

- For general questions about COVID-19 and precautions currently recommended by Placer County Public Health, residents may call the county's Coronavirus information line at (530) 886-5310.
- Current information about the Coronavirus is available at [placer.ca.gov/coronavirus](https://placer.ca.gov/coronavirus) and on the [CDC website](https://www.cdc.gov).

Thank you again,  
Roger Stock  
Superintendent  
Rocklin Unified School District
