

NEW - RUSD COVID-19 Actions in Coordination with Placer County Public Health (March 10, 2020)

The Placer County Health Department has declared that community mitigation is now in place, and recommendations have been made for social distancing in order to reduce the spread of COVID-19 and protect community health. Therefore, the Rocklin Unified School District is taking the actions outlined below. Generally, we are postponing, canceling, or modifying gatherings with large numbers of participants/spectators.

At this time, there is no recommendation from Placer County Public Health for any school district to close.

Our top priority is the health and safety of our students, staff, families and community members. We respectfully ask your assistance by following these guidelines. For more information about the most recent Placer County Health Department's recommendations, it is linked here:

<https://www.placer.ca.gov/6454/Recommend-COVID-19-mitigation>.

Note: These measures will be in effect through April 12, 2020 (including Spring Break) and will be modified or extended based on guidance from Public Health officials.
