

CODE NINJAS[®]

ROCKLIN

BACK to SCHOOL

Looking for more fun and safe activities for your kids during the school year?
Your kids will love learning to code while building video games at Code Ninjas Rocklin.
We've got three amazing programs to choose from throughout the year:

SOCIAL DISTANCING ACADEMIC SUPERVISION PROGRAM (IN-PERSON)

Designed for busy families, Power Up is our social distance friendly, in-dojo experience for kids 3rd-8th to be able to focus on their school-work and participate in our CREATE program, while parents have the freedom to focus on their work day!

Limited spots available.

Starting at \$1,097/mo

YEAR ROUND CODING PROGRAM (IN-PERSON & AT-HOME)

This is our classic, year round coding program for kids, available in both in-dojo and at-home activities! Enjoy flexible hours for your kids to express their creative side and make their own video games.

Starting at \$130/mo

12 WEEK AFTER-SCHOOL WORKSHOPS (VIRTUAL)

Our virtual workshops are for those who want to go above-and-beyond our standard CREATE program. Your kids will enjoy everything from designing their own Minecraft worlds, to planning and building their own style of video game with Roblox, to using programming languages to hand-code games and websites...and more!

\$397 For 12 Weeks
