

## **BIGGER. BETTER.** DEEPER LEARNING.

This year, Early Engineers **will** go further than it ever has before reaching deeper levels of learning with all new building challenges! Featuring fun and stimulating curriculum aimed to teach and help reinforce **NGSS Standards** for math and science, you *really* won't want to miss what we've got up our sleeves this year!

I ASSES

Our kid comes home every Tuesday raving about how much fun he had at Early Engineers. Especially after building the robot arm!
