## Why choose Envision?

Envision Volleyball Club's focus is "Athlete First." We are developing this new Club with one goal in mind:  
*Help these athletes become the "best version of themselves."*

EVC strives to exemplify a positive and competitive learning environment with committed coaches and engaged athletes who seek to develop crucial skills for both on and off the court. Our athletes, coaches and members of the EVC family aspire to foster an environment that helps to develop the whole athlete.

**Here is what Players & Parents are saying about our clinics:**

"The coaches are all super nice and helpful. I really feel like I was given 1 on 1 attention. I highly recommend Envision Volleyball clinic." Player, Myah

"Envision offers what few other local volleyball clubs do, small, personal and positive clinics. They are exceptional at providing a fun and motivating atmosphere where the girls feel comfortable asking questions and have an opportunity to receive one on one attention and personal instruction. The coaches are experienced, friendly and approachable and provide direction along with play time to really encourage and support the growth of each girl. Whether it's your first clinic or you are a regular, you will leave feeling like family!" Mom, Lori
