

# Rocklin Character Club

The Character Club is a free after-school program for **9-12 year-old children** that encourages great character development. The Character Club program uses stories, art, music and games to introduce and practice qualities like honesty, compassion, and teamwork. Through fun and games, the Character Club program offers an opportunity for children to deepen and recognize the **qualities** inherent in themselves and to discover the **universal gifts of character** that lie within. Values such as compassion, teamwork, trustworthiness, and understanding are explored, defined and practiced in a **fun, creative and organized atmosphere**, which will help them to live their best lives ever. In addition, lessons and

activities on race unity are incorporated into the program. Parents are welcome to attend and observe with their child.
