NINE ROCKLIN UNIFIED SCHOOLS RECOGNIZED FOR PRIORITIZING POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS ACROSS CAMPUSES

Coalition Honors Platinum, Gold, and Silver level PBIS Schools for Commitment Towards Improving Culture and Climate

ROCKLIN, Calif. – August 25, 2021 – The Rocklin Unified School District (RUSD) is proud to announce nine elementary schools will be honored for their dedication in the implementation of Positive Behavior Interventions and Supports (PBIS) by the [California PBIS Coalition](#).

Associate Superintendent of Education Services and Elementary Schools, William MacDonald, said, “Rocklin Unified is focused on providing a supportive environment for all students and remains committed to offering positive intervention that will meet their unique needs. Having nine schools receive awards in all levels is exceptional and shows the commitment to ensuring the implementation of the PBIS framework.”

In order for schools to receive recognition by the California PBIS Coalition, they are rated in seven areas of PBIS implementation: 1.) Effectively teach appropriate behavior to all children; 2.) Intervene early; 3.) Use of a multi-tier model of service delivery; 4.) Use research-based, scientifically validated interventions to the extent available; 5.) Monitor student progress to inform interventions; 6.) Use data to make decisions; and 7.) Use assessment for three different purposes.

Of the nine RUSD schools receiving recognition, three schools achieved the Silver recognition, four schools earned Gold recognition and two were honored with the highest recognition possible, Platinum. The following schools will receive their award during the sixth annual California PBIS Conference in Sacramento on September 13-15, 2021:
