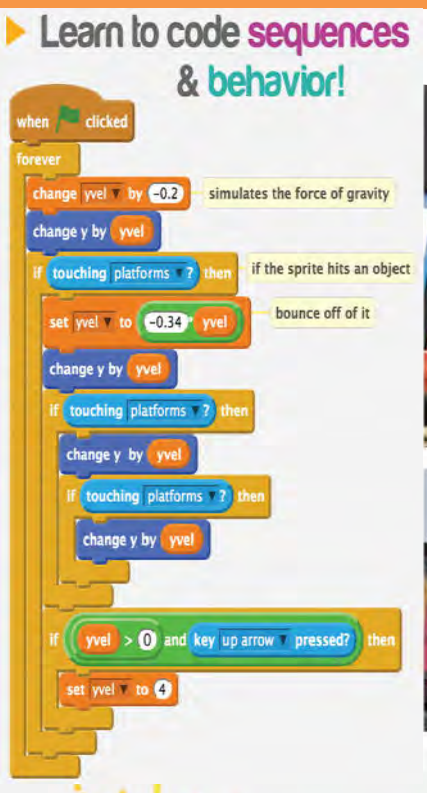
HoneyCODE

Afterschool
Video Game Coding Classes

In this session, join us as we create multi-player games! And multi-level games too! Let us learn to create score counters, use touch sensors, graphics, movement triggers, message broadcasts, blocks, variables, and other key coding constructs to make videogames come alive! Come join your fellow videogame enthusiasts, learn and improve coding skills, and have fun too!



Prerequisites

None! We teach the required basics.

Age Requirements

Now open to grades **2 - 6**

Join us as we learn to program our own Video Games!

Join us as we teach the basics of game design! Students will advance to a level where they'll be able to work independently and code video games of their own design.

Did you know that *71% of all new STEM jobs* are in computing? In today's world, coding is the second language every child should learn!
