Student's Health Form Completion Instruction Sheet

Dear Friends,

The team at The Allergy Center hopes you've had a relaxing and restful summer. We take Food Allergies and Student Health very seriously, and look forward to helping you with your needs in preparing for the next school year.

In order to do so, please follow the checklist below to ensure that your school forms are completed as thoroughly and completely as possible.

Once you have done this, please call **916-736-6644** and select **Option 2** to speak to our scheduling department. They will instruct you how to deliver the forms to our office for timely completion. We ask for a 48 hour turn around, although it may be faster depending on clinic volume and provider time.
