RUSD Healthy Workplace/Healthy Families Act Information and Eligibility

- **Eligibility Requirements**

- Employees who are not covered by a valid collective bargaining agreement, or employees who have not already received paid sick days, paid leave or paid time off pursuant to Education Code or RUSD policy.
- Retired employees who receive STRS, or retired employees who are PERS eligible but have not received PERS retirement benefits.
- An employee who works 30 or more days within a year of employment (does not have to be consecutive days) from the first day of work after January 1, 2015 (or if hired after that date) is entitled to paid sick days.
- An employee shall be entitled to use accrued paid sick leave days beginning on the **90th** day of employment.

- **Sick Leave Accrual and Usage**

- The accrual method will be used. Information regarding sick leave accrual will be posted on monthly payroll checks/stubs for eligible employees. (Please remember the accrual posting will always be a month behind.)
- Accrual: Paid sick leave days/hours begin to accrue on the first day of employment, or July 1, 2015, whichever is earlier.
- District will grant 1 hour of sick leave for every 30 hours worked. Employees cannot USE any accrued hours/days until they meet the 30 day and 90 day requirements. Usage: Maximum usage is 24 hours or 3 days in a school year. “Employees” covered by this policy are entitled to use 3 days or 24 hours of paid sick time annually which may be used within a 12 month period or term of employment. Twenty-four (24) hours shall be the maximum benefit except in situations where an employee works a regular modified schedule in which his/her work days exceed 8 hours. (e.g. An employee who works four, 10-hour days per week.) In such cases, a “day” shall be the equivalent of the hours in the employee’s regularly-scheduled work day. Three days of those regular alternative schedule days shall be the maximum annual benefit. On 90th day of employment the employee may use paid sick hours or days:
 - Classified: minimum of two hours can be used for each absence
 - Certificated: minimum of half day increment can be used for each absence.
- An employee can take paid sick leave for the following reasons: (1) an employee’s illness or that of a family member; (2) for the diagnosis, care or treatment of an existing health condition or preventative care for the employee or a family member; or (3) for specified purposes for an employee who is a victim of domestic violence, sexual assault, or stalking
- Family member is defined as spouse, registered domestic partner, child, parent, parent-in-law, grandparent, grandchild, or sibling.
- An employee must request paid sick days or hours using the District Healthy Workplace, Healthy Families Act Absence Request Form (attached).

Board Members: Eric Stevens • Camille Maben • Dereck Counter • Rick Miller • Rachelle Price

- Accrual, Cap and Carry Over: Employees may accrue up to a maximum of 6 days/48 hours and may carry over unused days/hours to the next fiscal year. Employees may use a maximum of 3 days or 24 hours in any school year.
- **Restoration of Previously Accrued Sick Leave Balances**
 - Upon termination, resignation, retirement, or any other separation from employment, RUSD will not provide compensation to an employee for accrued, unused paid sick leave. However, an employee that is rehired by the district within one year from the date of separation shall have his or her previously accrued and unused paid sick leave reinstated and available to use upon rehire. If a rehired employee had not yet worked the requisite ninety (90) days of employment to use sick leave at the time of separation, the employee must still satisfy the 90 days of employment requirement collectively over the periods of employment with the Rocklin Unified School District before any paid sick leave may be used.
