Further, the failure to comply with these protest requirements will constitute a waiver of the right to challenge and forever bar the Responder from challenging, whether before the District or any administrative or judicial tribunal, any particular RFP(s), the RFP process or any ground not set forth in the protest. The District will provide a written response within 30 working days to any timely RFP protest.

Where the Bidder quotes on a brand named as a standard of the quality and utility desired, a sample of the item will not be required unless specifically requested. Unless otherwise specified, if an item is not delivered as specified in the contract or if the Bidder delivers an item which does not conform to the Specifications, the Board of Trustees may, at its

option, annul and set aside the contract, either in whole or in part, and may enter into a new contract in accordance with law for furnishing such item. Any additional cost or expense incurred by the District in the making of such contract or any additional cost of supplying an item by reason of the failure of the Bidder, as described in this paragraph, shall be paid by the Bidder or his surety.

Public Works Contractor Registration Certification

If the bids for this Project are due on or after March 1, 2015, then pursuant to Labor Code sections 1725.5 and 1771.1, all contractors and subcontractors that wish to bid on, be listed in a bid proposal, or enter into a contract to perform public work must be registered with the Department of Industrial Relations. To this end, Bidder shall sign and submit with its Bid the Public Works Contractor Registration Certification on the form provided, attesting to the facts contained therein. Failure to submit this form may render the Bid non-responsive. In addition, each Bidder shall provide the registration number for each listed subcontractor in the space provided in the Designation of Subcontractors Form.

Notice to Bidders regarding Indemnity and Insurance Requirements

Summary of Indemnification and Insurance Requirements:

1. These are the Indemnity and Insurance Requirements for Contractors providing services or supplies to Rocklin Unified School District (Buyer). By agreeing to perform the work or submitting a proposal, you verify that you comply with and agree to be bound by these requirements. If any additional Contract documents are executed, the actual Indemnity language and Insurance Requirements may include additional provisions as deemed appropriate by Buyer.
2. You should check with your Insurance advisors to verify compliance and determine if additional coverage or limits may be needed to adequately insure your obligations under this agreement. These are the minimum required and do not in any way represent or imply that such coverage is sufficient to adequately cover the Contractor's liability under this agreement. The full coverage and limits afforded under Contractor's policies of Insurance shall be available to Buyer and these Insurance Requirements shall not in any way act to reduce coverage that is broader or includes higher limits than those required. The Insurance obligations under this agreement shall be: 1—all the Insurance coverage and limits carried by or available to the Contractor; or 2—the minimum Insurance requirements shown in this agreement, whichever is greater. Any insurance proceeds in excess of the specified minimum limits and coverage required, which are applicable to a given loss, shall be available to Buyer.
3. Contractor shall provide Buyer with Certificates of Insurance including all required endorsements and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to Buyer before work begins. Buyer reserves the right to require full-certified copies of all Insurance coverage and endorsements.

I. Indemnification & Insurance:

Contractor shall be an independent contractor and not an agent or employee of District under this Agreement. Contractor shall be responsible for any damage, loss, or other claim arising out of the performance of its services under this Agreement.

Prior to commencement of services and during the life of this Agreement, Contractor shall provide the District with a current certificate or policy evidencing its professional general liability insurance coverage in a sum not less than \$1,000,000 per occurrence, and such certificate or policy shall name the District as an additional insured.

To the fullest extent allowed by law, Contractor shall defend, indemnify, and hold harmless District, its directors, officers, agents, employees, and guests against any claim or demand arising from any actual or alleged act, error, or omission by Contractor or its directors, officers, agents, employees, volunteers, or guests arising from Contractor's duties and obligations described in this Agreement or imposed by law.

To the fullest extent allowed by law, District shall defend, indemnify, and hold harmless Contractor, its directors, officers, agents, employees, and guests against any claim or demand arising from any actual or alleged act, error, or omission by District or its directors, officers, agents, employees, volunteers, or guests arising from District's duties and obligations described in this Agreement or imposed by law. Contractor is not an employee of the District and District shall not indemnify Contractor in any such claim.

Contractor shall be responsible for carrying its own workers' compensation insurance and health and welfare insurance. District shall not withhold or set aside income tax, Federal Insurance Contributions Act (FICA) tax, unemployment insurance, disability insurance, or any other federal or state funds whatsoever. It shall be the sole responsibility of the Contractor to account for all of the above and Contractor agrees to hold District harmless from all liability for these taxes.

I have read and understand the above requirements and agree to be bound by them for any work performed for the Buyer.
