Join our panel of experts to learn about RUSD's exceptional TK programs!

- Full day TK and Kindergarten classes taught by highly qualified, credential teachers.
- Standards based, age-appropriate academic program (reading, writing, math, science, and social studies) that will lay a rock-solid foundation for your child's future success.
- Emphasis on teaching the whole child - social, emotional, and behavioral development that fosters creativity, communication, collaboration, critical thinking, and independence.
- Visual and Performing Arts, Music, P.E., and play-based learning.
