

R.U.S.D. Virtual Chess Club

Rocklin Unified School District has an online chess club through www.chesskid.com, which was created by our volunteer virtual chess club coordinator, Don Walsh. Students who participate may take chess lessons, complete chess puzzles, and play other students at the www.chesskid.com website at no cost to you.

Not only will your child be part of the Rocklin Unified School District Chess Club, s/he will also be part of the Gold Country Chess Kids (GCCK) club. As members of GCCK, s/he is able to play in weekly chess tournaments against other students from surrounding schools. Currently, this includes students from Grass Valley School District, Auburn Unified School District, Rocklin Unified School District, and Pleasant Ridge Union School District.

Any student interested in learning about and/or playing chess online is welcome to join. If your child is interested, please email Don Walsh at dililar@gmail.com and provide him your child's name, school, grade, and your name. He will provide you a name and passcode for your child to enter at www.chesskid.com to get started.
