School Description

Granite Oaks is a seventh and eighth grade middle school located just north of Sacramento in Rocklin, California with a student enrollment of approximately 1053. Our school opened in the fall of 1999.

Our teachers are divided into teams of teachers that are called academies. Each academy has approximately 140 students. Students spend five periods out of a seven-period day in core subjects (language arts, mathematics, science, and social studies). Academy teachers use a common student-free planning time to design flexible scheduling that better accommodates core lessons. Departments are divided into grade level Professional Learning Communities. Each PLC monitors student progress to assure students are meeting the rigorous standards-based academic Essential Skills and Concepts developed by the school. In this environment, teachers are better able to network with each other to assist students who may need extra help and support.

Out of a seven period day, four periods are scheduled for core academics, and one period is for enrichment. The enrichment period is a time that can be used in a variety of ways, such as extra research, guest speakers, intervention, computer lab time, extra study time, reading, more academics, etc. The remaining two periods of the seven-period day are reserved for one period of physical education and one period for an elective. The electives currently available at Granite Oaks for both grades include Band, Chorus, Art, Orchestra, Family Consumer Science, Publications (Yearbook), Manufacturing Technology, Computer Science and Spanish. Students may take Honor Band, Student Government, or Broadcasting before school. We also offer S.T.E.M. and GATE programs for both 7th and 8th grade.

Mission Statement

Our mission at Granite Oaks Middle School, a leader in collaborative and dynamic learning, is to inspire all students to develop their unique abilities with a well-balanced, quality educational experience through high academic standards and diverse extra curricular opportunities strengthened by engagement with our families and community.

Strategies

We will use a variety of collaborative programs to support students with academics, social and emotional growth.

We will provide multiple pathways for students to engage in extra curricular and community based activities.

We will continue to provide and implement technological advancements to meet the needs of our 21st century learners.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Granite Oaks completed construction of its campus in the spring of 2000. The buildings are grouped to form a courtyard design, which allows students to move about the campus in a safe and orderly manner. There are six fully equipped science classrooms, twenty-three regular education classrooms, a music room, a home economics room, and art room, two technology exploration rooms, a gymnasium, a multipurpose room, a library, a computer lab, and administration facilities. District safety inspections and cleanings are performed daily.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: July, 2020

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parental involvement is available through our school's parent/teacher Falcon Club and our Site Council. Both have regular meetings and many opportunities to assist students and staff. Those areas include chaperoning on school field trips and at dances, organizing donations for our academic pep rally, participating in career day, cooking for the staff luncheon, organizing Staff Appreciation Day, selling yearbooks, as well as lending a hand with morning library duties. Contact school office at 916-315-9009 for more information.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

All schools in the district have a Comprehensive School Safety Plan approved by the School Site Council and school district board. This plan includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school-wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. Granite Oaks Middle School developed and implemented a safe school plan for various emergency situations. Students and staff regularly practice fire, evacuation and lockdown drills in preparation for emergency situations.

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.02%	0.0%	
Expulsions	0.0%	0.0%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
