School Description

Rock Creek Elementary School is one of fifteen schools in the Rocklin Unified School District. The school serves students in Transitional Kindergarten through 6th Grade (including 3 Pre-school programs, 1 SDC/ED classroom). Enrollment is approximately 620 students. The school is located in the center of a dynamic and supportive community which expresses its values toward education through a high level of participation. Rock Creek Elementary School opened in August, 2002 with a culturally rich and diverse population representing multiple different languages.

The staff of Rock Creek provides an exemplary learning environment. Academic learning is certainly the primary focus of the school, but commendably, the staff operates on the principle that a caring environment which fosters self-worth and individual development is the best road toward realizing such learning. The students are able to approach all facets of their learning with confidence and the assurance that this school provides a safe learning environment.

We believe that everybody should feel safe, secure, and accepted, regardless of color, race, gender, popularity, athletic ability, intelligence, religion, and nationality. At Rock Creek, parents and staff together are dedicated to creating a safe and orderly learning environment in which students interact positively with others. Parents play an important role in Rock Creek through active participation and involvement in School Site Council, PTC, and volunteering. As a united community (students, parents, and staff), Rock Creek continues to push for excellence both inside and outside the classroom.

The mission of Rock Creek Elementary School, an innovative and collaborative community of learners, is to empower students to succeed, grow, lead, and learn by nurturing:
academic and social-emotional growth
productive and compassionate citizens
mindful and critical thinkers
family and community partnerships

Objectives:

Students will learn mindfulness to develop social and emotional growth.

Students will be challenged through a variety of learning opportunities to achieve their personal academic goals.

Students will learn the value of being compassionate and contributing citizens in their community.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Rock Creek Elementary School is a beautiful facility. It is aesthetically pleasing as well as being an excellent environment for student learning. It is a school that students, staff, and parents can be proud of. Supervision is provided before school, during recesses, and immediately after school. Visitors and volunteers are asked to report to the school office, sign in, and wear a visitor's badge while on campus.

District wide safety inspections are done on an ongoing basis throughout the year. Our school is regularly inspected and maintained by district maintenance and grounds personnel.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

School Facility Good Repair Status (Most Recent Year)Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	66	N/A	63	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parental involvement is available through our school's Parent-Teacher Club which has regular meetings. Parents constitute an important part of our school's Site Council which meets throughout the school year. Both PTC and SSC meetings are promoted on the school website as well as in the monthly newsletter sent by the Principal in order to encourage strong attendance. In addition, parents are invited to participate in the morning fit walk with their child each day before school as a way to bring the community together. The EL teacher holds parent meetings for EL families to learn more about the services provided. All parents are provided input during IEP's as well as provided goals ahead of time to review.

Rock Creek encourages parent volunteers within the classroom, library, computer lab, and school office, as art docent, and science docent. School volunteers are recognized at the end of the year by each classroom for their help and support throughout the year. We also involve parents in Family Math night, Family Art night, Family Book Fair night, and Open House.

Parents play a large role in the success of our school!

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

All schools in the district have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous situations, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding suspension/expulsion, sexual harassment, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. Date Last Reviewed and updated with Staff: February 2020. In addition, the staff of Rock Creek reviews all evacuation and emergency procedures multiple times throughout the year at staff meetings (including at the beginning of each school year). In the fall of 2016 and again in the fall of 2018, the staff received specific training from the Rocklin Police and Fire department on steps to take if there was an active threat on campus. Follow up meetings are scheduled to occur throughout the year with assistance from local emergency service organizations (Fire and Police of Rocklin). Evacuation drills are held each month. In addition, Rock Creek works closely with the Rocklin Fire Department to ensure all classes and buildings pass the fire code. In addition, through the implementation of PBIS, a focus on social-emotional support for students is emphasized through a variety of programs to again reinforce safety for all.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.01%	0.0%	
Expulsions	0.0%	0.0%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
