### School Description

Ruhkala Elementary School is one of seventeen schools in the Rocklin Unified School District. The school serves students from preschool through sixth grade, with an enrollment of approximately 400. The school is located in the center of a dynamic and supportive community which expresses its values toward education through a high level of participation. Ruhkala Elementary School opened in 2005. Roger Stock is District Superintendent and Lara Kikosicki is Principal.

Ruhkala Elementary School's staff, students, and parents make up an exemplary community of learners. The focus is on the development of lifelong learning skills in a caring, exciting environment which fosters self-esteem and individual development. A great deal of value is placed on the many ways to approach learning and the different experiences and opinions each person brings to the learning process. The staff recognizes that making learning meaningful to the student enhances the learning. Therefore, subjects are presented in thematic or integrated units whenever possible.

Along with the academics, emphasis is also placed on the development of student responsibility, initiative and character education. Ruhkala uses a tiered system to support students with behavior through a Positive Behavior, Intervention, and Support school (PBIS) and academics through an intervention and extension model.

Parents play an important role at Ruhkala Elementary School through active participation and involvement in School Site Council, Parent Teacher's Club (PTC) and as classroom volunteers. They share information with classes about professional lives, teach special skills (art, music, and sports), work on school or playground improvements, conduct fundraisers and make donations. Parents regularly volunteer their services in the classrooms. Ruhkala Elementary School has become a focal point and center for students and the community. Our facilities are used frequently by our community.

Ruhkala Elementary is a California Distinguished School. It has also been recognized as a Scholar School by the California Business for Educational Excellence Foundation for the past four years. Ruhkala recently received a gold award from the PBIS coalition and received the Community Cares award for their response during the COVID pandemic.

### Mission Statement

The mission of Ruhkala Elementary, a community of inspired leaders, is to ignite the passion in each individual student for learning and leading through engaging innovative opportunities, challenging education experiences, and cohesive partnerships with families.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Ruhkala Elementary School was opened in Fall of 2005. The facilities include state-of-the-art infrastructure for technology, appropriate furniture for all grade levels, and wonderfully landscaped grounds.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	67	N/A	63	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents play an important role at Ruhkala Elementary School through active participation and involvement in School Site Council, Parent Teacher Student Club (PTC) and as classroom volunteers. They share information with classes about professional lives, teach special skills (art, music, and sports), work on school or playground improvements, conduct fund-raisers and make donations. Parents regularly volunteer their services in the classrooms. Parents are also becoming involved with our leadership/character program and as reading buddies for our students. For more information, please contact Shelley Wentworth at (916) 632-6560.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2020-2021)

All schools in the District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. The plan is updated and reviewed each year by staff and School Site Council and school staff is trained in the plan each year.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.2	0.3	3.3	3.6	3.5	3.5
Expulsions	0.0	0.0	0.1	0.1	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.0%	0.0%	
Expulsions	0.0%	0.0%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
