About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Victory High School now occupies the Rocklin Alternative Education Center campus on Victory Drive. This beautiful facility opened in January 2000. Students and staff take pride in the appearance of our school, and our lead custodian sees to it that our campus is always clean and safe. The district maintenance and grounds crew also pay regular visits and make inspections at our campus. In response to local safety and health social distancing guidelines, visitors are not currently permitted on campus. However, when they are permitted, all are required to sign-in at the administrative office and wear a Visitor's badge.

Rocklin Alternative Education Center currently occupies three buildings on the campus.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parental involvement is available through our School Site Council which has regular meetings. In addition, parents can assist and volunteer with our Associated Student Body (ASB) on fundraisers and field trip supervision. Our Interact Club reaches out to the community and always welcomes parent volunteers. Any parents wanting to assist in the aforementioned programs or through the Administrative Office for clerical assistance can contact the main office at (916) 632-3195. . Parents can also help with the school golf team; providing transportation and support. In addition, Victory High School hosts a Back to-School Night in the Fall and two Awards Assemblies, for which attendance is heavily promoted and encouraged. Lastly, graduation is an event open for attendance to all parents, family and community members.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

All schools in the Rocklin Unified School District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs.

The Safety Plan also includes an action plan for implementation. Date of Last Review/Update: Updated each February of the school year based on feedback from District, staff discussions and the SRO. The Safety Plan (specifically the rules/procedures on school discipline, disaster protocol, and harassment are reviewed with the staff each August prior to the start of the school year (with fire, lock down, lock in place, shelter in place, and evacuation drills scheduled throughout the year). Documentation is collected and a debrief is conducted immediately after each drill. Recognized facility improvements are addressed and any proposed enhancements are implemented by administration.

Last year's Safety Plan was approved by the Victory High Site Council on February 12, 202 and a presentation was conducted of the plan by Principal Skott Hutton (including input from the School Resource Officer and Fire Department representative).

Expulsions	0.9	0.0	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.05%	0.0%	
Expulsions	0.0%	0.0%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.
