About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Whitney High School was brand new in the 2005-2006 school year. Whitney continues to be fully compliant with all guidelines regarding facilities. The grounds and buildings are clean and well maintained by custodial, grounds, maintenance and teaching staff.

During the fall of 2012 landscaping improvements were made between the softball field to ease maintenance requirements.

During the summer of 2014 two relocatables were added for growth and currently house the ROTC program.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parental involvement is available through our school's parent support groups for clubs and athletics. There are also volunteer opportunities such as Whitney High School Parent Booster Club and School Site Council which have regular meetings and offer many opportunities to assist students and staff. Parents also chaperone dances and other school activities. Several programs such as choir, band and athletics have parent support for their special activities. There are also advisory panels through Career Technical Education, GATE and additional district groups for parent involvement. Contact the WHS Front Office at (916) 632-6500 Extension 6433 to volunteer at the site or district level.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

The School Safety Plan is reviewed and updated on an ongoing basis. All schools in the Rocklin Unified School district have a comprehensive school safety plan approved by the School Site Council. It includes an assessment of the procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and process on school discipline, school wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs.

Date of Last Review/Update: February, 2019. Date Last Discussed with Staff: August, 2019.

Suspensions and Expulsions

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	6.2	4.7	3.3	3.6	3.5	3.5
Expulsions	0.0	0.1	0.1	0.1	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.02%	0.0%	
Expulsions	0.0%	0.0%	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Career Technical Education Programs

All courses in the Academic Planning Guide are designed to meet graduation standards. Students and counselors work together to prepare for graduation. Approximately 80% of the core classes and 75% of the elective classes meet UC/CSU entrance requirements. Effectiveness of these programs is based on assessment and demonstrations in the classroom. WHS evaluates its program effectiveness on student placement in schools and programs after graduation (e.g.: 2 + 2 articulations with our local community college and student performances at universities and colleges). The counseling staff and the middle school counselors, developed a comprehensive six year plan for our students. We believe it is important for secondary students (beginning in 7th grade) to plan for their high school graduation. With guidance from the counselors, we assure that each student is aware of and has equitable access to all programs. We work hard to provide students with an understanding and practice for “real world” experiences ranging from the ROP’s to incorporating SCANS in the classroom. WHS provides programs in: Computer Studies, Photography, Child Development, Graphics, Accounting, Broadcasting, Journalism, Architecture, Computer Literacy, ROP Auto Technology, Consumer/Family Studies, ROP Careers in Teaching, Careers w/ Children, Work Experience, Culinary Arts, CAD/CAM, Publications, ROP Dental Careers, Web Master Technology, ROP Animal Veterinary Careers, Computer Art, ROP Health Careers Medical, Construction Technologies, ROP Automotive Services, Financial Services, ROP Fire Science, ROP Animal Science.
