2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fq/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Parker Whitney Elementary School is one of seventeen schools in the Rocklin Unified School District. The school serves students in kindergarten through sixth grades, with an enrollment of about 450. The school is located in the center of a stable and supportive community which expresses its values toward education through a high level of participation. Parker Whitney Elementary School opened in 1965. Kari Auwae is Principal and Roger Stock is District Superintendent.

The staff of Parker Whitney Elementary School strives to provide an exemplary learning environment. Academic learning is certainly the primary focus of the school, but commendably, the staff operates on the principle that a caring environment which fosters self-esteem and individual development is the best road toward realizing such learning. The students are able to approach all facets of their learning with confidence and the assurance that this school is their home. Rules of conduct are realized internally, leading to self-directedness and initiative. Finally, the staff welcomes the direct involvement of the community in these efforts. This is demonstrated in our partnership with our local university, our 9 years as a Reading Renaissance Master School, and our dedication to supporting our at risk students. At Parker Whitney Elementary School, parents and staff together are dedicated to creating a safe and orderly learning environment in which students interact positively with others and are able to develop responsibility, confidence, and self-esteem while achieving to their highest academic potential. Families play very important roles in Parker Whitney Elementary School through their active participation and involvement in School Site Council, and Parent Teacher Club (PTC). They share information with classes about professional lives, teach special skills (art, music, and sports), work on school or playground improvements, conduct fund-raisers and make donations. They regularly volunteer their services in the classrooms and the library. Parker Whitney Elementary School has become a focal point and center for students and the community.

Mission Statement

The mission of Parker Whitney Elementary, a California Distinguished school and a key component of a diverse learning community, is to ensure each student will experience meaningful and measurable academic growth and build a strong, active connection to his or her community as a dynamic life-long learner by:

- Providing quality instruction through collaboration, evolving technologies, and high expectations
- Recognizing and addressing academic challenges
- Building vital partnerships with our families and the community
- Creating and maintaining a physically and emotionally safe learning environment

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Parker Whitney School, the second school built in the Rocklin Unified School District, has served Kindergarten through 6th grade students for 45 years. Transitional Kindergarten is now offered at Parker Whitney. Having undergone modernization, it now has a large cafeteria, large Visual and Performing Arts (V.A.P.A) room, stage, and band room.

All volunteers are required to wear an I.D. badge and visitors are required to check in at the office to ensure the safety of our students. Supervision is provided before school, during recesses, and immediately after school.

Parker Whitney School has a comprehensive safety and crisis intervention plan including an Action Plan with a Crisis Plan component. Emergency drills including fire, lock-down and off-campus evacuation are practiced on a monthly basis to ensure a smooth and orderly process. District wide safety inspections are done on an ongoing basis throughout the year.

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

At Parker Whitney Elementary School, parents and staff together are dedicated to creating a safe and orderly learning environment in which students interact positively with others and are able to develop responsibility, confidence, and self-esteem while achieving to their highest academic potential. Families play very important roles through their active participation and involvement in School Site Council, Parent Teacher Club (PTC), Art Docent Presenters, Word Busters, various annual events, and afterschool clubs and programs. Parents share information with classes about professional lives, teach special skills (art, music, and sports), work on school or playground improvements, conduct fund-raisers and make donations. They regularly volunteer their services in the classrooms and the library. Parker Whitney Elementary School has become a focal point and center for students and the community.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

We envision a school community that promotes and sustains responsible citizenship achieved through appropriate academic excellence and developing social skills. We understand that nurturing is a process that takes many forms, beginning with acceptance and understanding of diversity of age, race-ethnicity, and culture. We strive for an environment that is safe and we are committed to maintaining a responsible safety plan that includes policy and procedures. We believe that all students can learn at Parker Whitney School.

Safe School Plan: All schools in the Rocklin Unified School District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, rules and procedures on school discipline, school-wide dress code, policies regarding actions which would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. It also includes an action plan for implementation of the plan. At Parker Whitney School, we are in the twelfth year of implementation of the plan. Current year plans will continue to focus on bully proofing, positive behavior intervention systems (PBIS), playground interaction, articulating, training, and implementing emergency procedures. Parker Whitney has also dedicated time each day for social-emotional awareness education through our In Focus curriculum and other social awareness and development resources. School staff is trained annually. Last review/update by school site council: February 2021.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
