Sunset Ranch Elementary School
2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview	By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC. For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/ For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/ For additional information about the school, parents/guardians and community members should contact the school principal or the district office.
DataQuest	DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).
California School Dashboard	The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
Internet Access	Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Sunset Ranch Elementary School is one of eleven elementary schools in the Rocklin Unified School District. The school serves students in pre-kindergarten through sixth grades, with an enrollment of approximately 650. The school is located in the heart of Whitney Ranch in a very stable and supportive community that expresses its values toward education through a high level of parent participation. Sunset Ranch Elementary School opened in 2010 and is the newest school in the District. Melanie Patterson is the Principal, Lori Kircher is the Assistant Principal, and Roger Stock is the District Superintendent. The school staff strives to provide an exemplary learning environment. Academic achievement is certainly the primary focus of the school, but the staff also operates on the principle that a caring environment fosters self-esteem and individual development and is the best road toward achieving a well-rounded education. The students are able to approach all facets of their learning with confidence and the assurance that this school is their home.

Our rules of conduct are realized internally, leading to self-directedness and initiative. Our school-wide Positive Behavior Intervention System (PBIS) model focus on "Coyotes, CAN": Cooperate, Are Safe, Never Give Up. Sunset Ranch Elementary School welcomes the direct involvement of the community in our efforts. By working together, parents and staff create a safe and orderly learning environment in which students interact positively with others and are able to develop responsibility, confidence, and self-esteem. Parents play very important roles in Sunset Ranch Elementary School through their active participation and involvement in School Site Council and the Parents/Teacher Club (PTC). They share information with classes about professional lives, teach special skills (art, music, and sports), work on school or playground improvements, conduct fundraisers and make donations. During a typical school year, parents volunteer their services in the classrooms and the library. Sunset Ranch Elementary School is a focal point and center for students and the community.

SUNSET RANCH ELEMENTARY MISSION STATEMENT:
The mission of Sunset Ranch Elementary, an innovative and community-centered school, is to empower our students and staff to be passionate learners striving towards personal excellence through a system distinguished by:
- A culture of inclusion and collaboration among all students, staff, families, and the greater community;
- The development of self-reliant and civic-minded critical thinkers;
- A caring environment that fosters academic, physical, emotional, and social growth;
- The use of dynamic, engaging, and relevant practices that redefine learning.

OBJECTIVES:

2021-22 School Overview

Students will explore and engage their interests in a range of learning experiences across a variety of disciplines.
Students will meet and exceed their academic potential through the use of differentiated curriculum and instruction.
Students will demonstrate perseverance and resiliency when facing challenges.
Students will apply and connect their learning to a real-world purpose.
Students and staff will have opportunities to teach others what they have learned.

STRATEGIES:

We will provide a dynamic curriculum and differentiated intervention systems.
1.1 Develop the consistent use of communication, collaboration, creativity and critical thinking to accomplish 21st century learning through ongoing professional development, implementation, and evaluation.
1.2 Implement a tiered academic intervention system to support all students.

We will provide a variety of opportunities for all students to be healthy, self-aware, resilient, and compassionate.
2.1 Promote physical and emotional wellness through physical activity, nutrition, mindful activities, and social-emotional learning for all students.
2.2 Engage in a school-wide character education program.
2.3 Provide school-wide behavioral intervention and support system to meet the needs of all students.

We will integrate technologies to enhance teaching and redefine learning.
3.1 Define and integrate technology standards supported by professional development.
3.2 Provide consistent opportunities for students to design and engineer as part of the curricula.
3.3 Redefine classroom and teaching environments for greater movement and flexibility in the organization of learning.

We will connect learning to our world and increase global awareness.
4.1 Prepare each student to view themselves as a citizen of the world with a global awareness by providing school-wide activities to embrace cultural diversity
4.2 Engage in service learning including developing community partnerships and professional development

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

Sunset Ranch Elementary School opened in August 2010. Since the initial construction, two portable classrooms have been added. One is currently used as a 5th-grade classroom and the second is used for Transitional Kindergarten (TK).

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. District maintenance ensures that the repairs necessary to keep the school sites in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only
Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options
Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

During a typical school year, parents are welcomed and encouraged to participate in their child's learning at Sunset Ranch Elementary School. Many parents volunteer in their parent's classroom and/or accompany students on class field trips and overnight learning adventures. To get involved with your child's classroom, please work with your classroom teacher, or alternatively, you can get assistance through the school's main office.

Sunset Ranch has an active Parent-Teacher Committee (PTC) that fundraises for the school, supports classroom and school-wide programs, and organizes community events. The PTC is always seeking volunteers to be part of its governing structure and/or volunteer for school events. The PTC can be contacted through their website found here: http://sunsetranchptc.org/

Additionally, parents can be part of the Sunset Ranch School Site Council. For more information on either of these committees, please contact the school principal, Melanie Patterson, at (916) 624-2048.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.07	0.01	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

All schools in the District have a Comprehensive School Safety Plan approved by the School Site Council. It includes an assessment of the current status of school crime, procedures to notify teachers of dangerous pupils, disaster procedures, child abuse reporting procedures, rules and procedures on school discipline, school-wide dress code, policies regarding actions that would lead to suspension/expulsion, sexual harassment policy, procedures for the safe ingress and egress of pupils, and other safe school strategies and programs. Sunset Ranch focuses on restorative approaches with student in order to maximize learning and limit time outside the classroom.

A copy of the school safety plan is available on the school website and/or by request at the Sunset Ranch Elementary School office.

Public Hearing and School Site Council approval: February 1, 2021

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
