## DISTANCE LEARNING

This is our current stage where students are engaging in distance learning through set schedules and daily interactions with teachers and classmates.

Stage

## LIMITED STUDENT ACCESS

Distance learning continues for most students; however, some Special Education and English Learner students will be asked to return to school for required services, assessments, and instruction. Details will be communicated to these families.

## HYBRID LEARNING MODEL

We are here

Combines in-person check in and at-home learning.

**For grades TK-1**, students would be in an “AM” or “PM” group, five days a week. This schedule takes into account the age of TK-1 students and their need for more consistent in-person instruction.

**For grades 2-6**, students would be in an “A” or “B” group and attend school 2-3 days each week. For example, Group A would attend on Tuesday and Thursday and Group B would attend Wednesdays and Fridays, with both groups attending alternating Mondays. On at-home days, students would be required to participate in a daily live check in and engage in independent or project-based work and at times, live instruction in PE, VAPA or electives.

**For grades 7-12**, students would be in an “A” or “B” group and attend school 2-3 days each week. For example, Group A would attend on Tuesday and Thursday and Group B would attend Wednesdays and Fridays, with both groups attending alternating Mondays. During at-home days, students will be required to participate in a daily live check in and complete independent or project-based work.
