CaIPERS 457 DEFERRED COMPENSATION PLAN

INFORMATION FOR 2024

In addition to offering employees the opportunity to participate in 403(b) plans, the District also offers the CaIPERS 457 Deferred Compensation Plan to **ALL** employees.

The CaIPERS 457 Plan offers you the opportunity to plan for a secure financial future by allowing you to automatically save a portion of your salary and invest it in your choice of investments. Your current taxable income is reduced by the amount you save on a before-tax basis, lowering your tax bill. Your earnings are automatically reinvested before-taxes, which makes your savings grow even faster.

To learn more about the CaIPERS 457 Deferred Compensation Plan, go to the CaIPERS website at: <https://calpers.voyaplans.com>. No log-on is necessary when viewing the plan information.

If you are interested in enrolling in the 457 plan, you may either go on the website for enrollment forms or contact me and I will send a packet to your site.

Should you have further questions, feel free to contact me.
